20.02 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

20.03 A grievance shall not be deemed to be invalid by reason only that it is not in accordance with the form supplied by the Employer. For the purposes of this article, a grievor is an employee or, in the case of a group or policy grievance, the Union.

Individual grievances

20.04 Subject to and as provided in section 208 of the *Federal Public Sector Labour Relations Act*, an employee who feels that he or she has been treated unjustly or considers himself or herself aggrieved by any action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 20.07 except that:

- a. where there is another administrative procedure provided by or under any act of Parliament to deal with the employee's specific complaint, such procedure must be followed,
and
- b. where the grievance relates to the interpretation or application of this agreement or an arbitral award, the employee is not entitled to present the grievance unless he or she has the approval of and is represented by the Union.

20.05 Except as otherwise provided in this agreement, a grievance shall be processed by recourse to the following levels:

- a. level 1: first (1st) level of management;
- b. level 2: intermediate level;
- c. final level: deputy head or deputy head's authorized representative.

20.06 The Employer shall designate a representative at each level in the grievance procedure and shall inform each employee to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or local officer-in-charge to whom a grievance is to be presented. This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Union.

Notwithstanding the above, when the situation involves a grievance at the first level dealing with a disciplinary action, the representative designated by the Employer cannot be the same person who took part in the disciplinary process or who imposed said disciplinary action.

Clauses 20.07 to 20.22 apply only to individual and group grievances

20.07 A grievor who wishes to present a grievance at a prescribed level in the grievance procedure shall transmit this grievance to his or her immediate supervisor or local officer-in-charge who shall forthwith:

- a. forward the grievance to the representative of the Employer authorized to deal with grievances at the appropriate level,
and
- b. provide the grievor with a receipt stating the date on which the grievance was received by him or her.

20.08 Where it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked and it shall be deemed to have been received by the Employer on the date it is delivered to the appropriate office of the department or agency concerned. Similarly the Employer shall be deemed to have delivered a reply at any level on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present his or her grievance at the next higher level shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

20.09 An employee may be assisted and/or represented by the Union when presenting a grievance at any level.

20.10 The Union shall have the right to consult with the Employer with respect to a grievance at each level of the grievance procedure. Where consultation is with the deputy head, the deputy head shall render the decision.

20.11 A grievance may be presented at the first (1st) level of the procedure in the manner prescribed in clause 20.07 no later than the twenty-fifth (25th) day after the date on which he or she is notified orally or in writing or on which he or she first becomes aware of the action or circumstances giving rise to the grievance.

20.12 The Employer shall normally reply to an individual or group grievance, at any level in the grievance procedure, except the final level, within ten (10) days after the date the grievance is presented at that level. Where such decision or settlement is not satisfactory to the grievor, the grievance may be referred to the next higher level in the grievance procedure within ten (10) days after that decision or settlement has been conveyed to him or her in writing.

20.13 If the Employer does not reply within fifteen (15) days from the date that a grievance is presented at any level, except the final level, the grievor may, within the next ten (10) days, submit the grievance at the next higher level of the grievance procedure.

20.14 The Employer shall normally reply to a grievance at the final level of the grievance procedure within thirty (30) days after the grievance is presented at that level.

20.15 Where an employee has been represented by the Union in the presentation of his or her grievance, the Employer will provide the appropriate representative of the Union with a copy of the Employer's decision at each level of the grievance procedure at the same time that the Employer's decision is conveyed to the employee.

20.16 The decision given by the Employer at the final level in the grievance procedure shall be final and binding upon the grievor unless the grievance is a class of grievance that may be referred to adjudication.

20.17 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the grievor and, where appropriate, the Union representative.

20.18 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular level of authority, any or all the levels, except the final level may be eliminated by agreement of the Employer and the grievor, and, where applicable, the Union.

20.19 Where the Employer demotes or terminates an employee for cause pursuant to paragraph 12(1)(c), (d) or (e) of the *Financial Administration Act*, the grievance procedure set forth in this agreement shall apply except that the grievance shall be presented at the final level only.

20.20 A grievor may abandon a grievance by written notice to his or her immediate supervisor or officer-in-charge.

20.21 A grievor who fails to present a grievance to the next higher level within the prescribed time limits shall be deemed to have abandoned the grievance, unless the grievor was unable to comply with the prescribed time limits due to circumstances beyond the grievor's control.

20.22 No person who is employed in a managerial or confidential capacity shall seek by intimidation, by threat of dismissal or by any other kind of threat to cause an employee to abandon his or her grievance or refrain from exercising his or her right to present a grievance as provided in this agreement.

Reference to adjudication: individual grievances

20.24 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of him or her of a provision of this agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Union signifies in the prescribed manner:

- a. its approval of the reference of the grievance to adjudication,
and

The party who receives the grievance shall provide the other party with a receipt stating the date on which the grievance was received by him.

20.30 There shall be no more than one (1) level in the grievance procedure.

20.31 The Employer and the Union shall designate a representative and shall notify each other of the title of the person so designated.

20.32 The Employer and the Union may present a grievance in the manner prescribed in clause 20.29, no later than the twenty-fifth (25th) day after the earlier of the day on which it received notification and the day on which it had knowledge of any act, omission or other matter giving rise to the policy grievance.

20.36 The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

- b. When the parties agree that a particular grievance proceeds through Expedited Adjudication, the Union will submit to the FPSLREB the consent form signed by the grievor or the Union.

- g. The Adjudicator makes an oral determination at the hearing, which is recorded and initialled by the representatives of the parties. This is confirmed in a written determination to be issued by the Adjudicator within five (5) days of the hearing. The parties may, at the request of the Adjudicator, vary the above conditions in a particular case.
- h. The Adjudicator's determination is final and binding on all the parties, but does not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

26.03 When a day designated as a holiday under clause 26.01 coincides with an employee's day of rest, the holiday shall be moved to the first (1st) scheduled working day following the employee's day of rest. When a day that is a designated holiday is so moved to a day on which the employee is on leave with pay, that day shall count as a holiday and not as a day of leave.

26.08 Where a day that is a designated holiday for an employee coincides with a day of leave with pay, that day shall count as a holiday and not as a day of leave.

26.09 The Employer will as much as possible, not schedule an employee to work both December 25 and January 1 in the same holiday season without his or her consent. For travel by private means of transportation, the normal time as determined by the Employer, to proceed from the employee's place of residence or workplace, as applicable, direct to the employee's destination and, upon the employee's return, direct back to the employee's residence or workplace.

In the event that an alternate time of departure and/or means of travel is requested by the employee, the Employer may authorize such alternate arrangements, in which case compensation for travelling time shall not exceed that which would have been payable under the Employer's original determination.

27.04 If an employee is required to travel as set forth in clauses 27.02 and 27.03:

29.01 The vacation year shall be from April 1 to March 31 inclusive of the following calendar year.

However, the above exception shall not apply to an employee who receives severance pay on layoff and is reappointed to the public service within one year following the date of layoff.

For greater certainty, severance termination benefits taken under clauses 33.04 to 33.07 of Appendix J, or similar provisions in other collective agreements, do not reduce the calculation of service for employees who have not yet left the public service.

- b. Notwithstanding paragraph (a) above an employee who was a member of the bargaining unit on May 18, 1989, or an employee who becomes a member of the bargaining unit between May 18, 1989, and May 31, 1990, shall retain, for the purpose of "service" and of establishing his or her vacation entitlement pursuant to this article, those periods of former service which had previously qualified for counting as continuous employment, until such time as his or her employment in the public service is terminated.
- c. Entitlement to vacation leave with pay

29.04 An employee is entitled to vacation leave with pay to the extent of the employee's earned credits but an employee who has completed six (6) months of continuous employment may receive an advance of credits equivalent to the anticipated credits for the vacation year.

29.05 If at the end of a vacation year, an employee's entitlement to vacation leave with pay includes a fractional entitlement of less or more than one half (1/2) day, the entitlement shall be increased to the nearest half (1/2) day.

Granting of vacation leave with pay

29.06 Employees are expected to take all their vacation leave during the vacation year in which it is earned.

29.07 The Employer shall, subject to the operational requirements of the service, make reasonable effort to:

- a. grant the employee vacation leave for at least two (2) consecutive weeks provided notice is given prior to April 1 of any vacation year;
- b. grant the employee vacation leave on any other basis if the employee gives the Employer at least two (2) days' advance notice for each day of leave requested.

29.08 The Employer may for good and sufficient reason grant vacation leave on shorter notice than that provided for in clause 29.07.

29.09 When, after December 1 of any vacation year, vacation leave has not been scheduled or taken by an employee, the Employer may schedule such leave during the remainder of the vacation year providing written notice is given to the employee seven (7) calendar days in advance.

29.10 The Employer shall give the employee as much notice as is reasonable that a request for vacation leave has not been approved. Such notice shall be in writing.

29.11 Where, in respect of any period of vacation leave, an employee:

- a. is granted bereavement leave,
or
- b. is granted leave with pay because of illness in the immediate family,
or
- c. is granted sick leave on production of a medical certificate,

the period of vacation leave so displaced shall either be added to the vacation period if requested by the employee and approved by the Employer or reinstated for use at a later date.

29.12 The Employer agrees that, twice (2) a year before scheduling vacation leave, consultation shall take place at the national level and at each institution with the local authorized representative of the Union, to determine the minimum number of correctional officers at each level who may be granted vacation leave at the same time based on the operational requirements of the institution. The second consultation session will occur after December 1.

**

Carry-over provisions**29.13**

- a. When operational requirements prevent an employee from using all the vacation leave credited to the employee, the unused portion of the employee's vacation leave shall be carried over into the following vacation year;
- b. All vacation leave credits in excess of two hundred forty (240) hours on March 31 shall be automatically paid out at the employee's substantive rate of pay on December 1 of the current fiscal year.

after submitting such accounts as are normally required by the Employer.
- c. The employee shall not be considered as being on vacation leave during any period in respect of which the employee is entitled under paragraph 29.16(b) to be reimbursed for reasonable expenses incurred by the employee.

Leave when employment terminates

29.15 When an employee dies or otherwise ceases to be employed, the employee's estate shall be paid an amount equal to the product obtained by multiplying the number of days of earned but unused vacation with pay to the employee's credit by the daily rate of pay to which the employee is entitled by virtue of the certificate of appointment in effect at the time of the termination of the employee's employment.

29.16 Notwithstanding clause 29.16, an employee whose employment is terminated for cause pursuant to paragraph 12(1)(e) of the *Financial Administration Act* by reason of abandonment of his or her position is entitled to receive the payment referred to in clause 29.16. The Employer's sole obligation is to send such payment to the most recent address on file for the employee.

29.17 Notwithstanding clause 29.16, an employee who resigns to accept an appointment with an organization listed in Schedule V of the *Financial Administration Act* may choose not to be paid for unused vacation leave credits, provided that the appointing organization will accept such credits.

Advance payments

29.18 The Employer agrees to issue advance payments of estimated net salary for vacation periods of two (2) or more complete weeks, provided a written request for such advance payment is received from the employee at least six (6) weeks prior to the last pay day before the employee's vacation period commences.

29.19 Providing the employee has been authorized to proceed on vacation leave for the period concerned, pay in advance of going on vacation shall be made prior to departure. Any overpayments in respect of such pay advances shall be an immediate first (1st) charge against any subsequent pay entitlements and shall be recovered in full prior to any further payment of salary.

29.20

30.02 Maternity leave without pay

$$\frac{\text{(allowance received)} \quad \times \quad \text{(remaining period to be worked following her return to work)}}{\text{[total period to be worked as specified in (B)]}}$$

however, an employee whose specified period of employment expired and who is rehired within the federal public administration as described in section (A), within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

 - ii. has satisfied all of the other eligibility criteria specified in paragraph 30.03(a), other than those specified in sections (A) and (B) of subparagraph 30.03(a)(iii);

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph 30.04(a)(i), the difference between ninety-three per cent (93%) of her weekly rate of pay, and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the *Government Employees Compensation Act*.

 - iv. for promotions, demotions, deployments, transfers or acting situations effective during the retroactive period, the rate of pay shall be recalculated, in accordance with the *Directive on Terms and Conditions of Employment*, using the revised rates of pay. If the recalculated rate of pay is less than the rate of pay the employee was previously receiving, the revised rate of pay shall be the rate, which is nearest to, but not less than the rate of pay being received prior to the revision. However, where the recalculated rate is at a lower step in the range, the new rate shall be the rate of pay immediately below the rate of pay being received prior to the revision;
 - v. no payment or no notification shall be made pursuant to paragraph 49.03(b) for one dollar (\$1) or less.

49.08 When the regular pay day for an employee falls on his or her day of rest, every effort must be made to issue his or her cheque on his or her last working day, provided it is available at his or her regular place of work and has been verified.

General

Application

This Appendix applies to all employees. Unless explicitly specified, the provisions contained in Parts I to VI do not apply to alternative delivery initiatives.

Collective agreement

With the exception of those provisions for which the Public Service Commission (PSC) is responsible, this Appendix is part of this agreement.

Notwithstanding the job security article, in the event of conflict between the present work force adjustment Appendix and that article, the present work force adjustment Appendix will take precedence.

Objectives

It is the policy of the Employer to maximize employment opportunities for indeterminate employees affected by work force adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a work force adjustment situation and for whom the deputy head knows or can predict employment availability will receive a guarantee of a reasonable job offer within the public service. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Part VI and VII).

Definitions

accelerated layoff (mise en disponibilité accélérée)

Occurs when a surplus employee makes a request to the deputy head, in writing, to be laid off at an earlier date than that originally scheduled, and the deputy head concurs. Layoff entitlements begin on the actual date of layoff.

affected employee (employé-e touché)

Is an indeterminate employee who has been informed in writing that his or her services may no longer be required because of a work force adjustment situation.

alternation (échange de postes)

Occurs when an opting employee (not a surplus employee) who wishes to remain in the public service exchanges positions with a non-affected employee (the alternate) willing to leave the public service with a Transition Support Measure or with an education allowance.

alternative delivery initiative (diversification des modes de prestation des services)

Is the transfer of any work, undertaking or business of the public service to anybody or corporation that is a separate Employer or that is outside the public service.

appointing department (ministère d'accueil)

Is a department or agency which has agreed to appoint or consider for appointment (either immediately or after retraining) a surplus or a laid-off person.

deputy head (administrateur général)

Has the same meaning as in the definition of “deputy head” set out in section 2 of the *Public Service Employment Act*, and also means his or her official designate.

education allowance (indemnité d'études)

Is one of the options provided to an indeterminate employee affected by normal work force adjustment for whom the deputy head cannot guarantee a reasonable job offer. The education allowance is a payment, equivalent to the Transitional Support Measure (see Annex B), plus a reimbursement of tuition from a recognized learning institution, book and mandatory equipment costs, up to a maximum of fifteen thousand dollars (\$15,000.00).

guarantee of a reasonable job offer (garantie d'une offre d'emploi raisonnable)

Is a guarantee of an offer of indeterminate employment within the public service provided by the deputy head to an indeterminate employee who is affected by work force adjustment. Deputy heads will be expected to provide a guarantee of a reasonable job offer to those affected employees for whom they know or can predict employment availability in the public service. Surplus employees in receipt of this guarantee will not have access to the options available in Part VI of this Appendix.

home department (ministère d'attache)

Is a department or agency declaring an individual employee surplus.

laid-off person (personne mise en disponibilité)

Is a person who has been laid off pursuant to PSEA 64(1) and who still retains a reappointment priority under PSEA 41(4) and 64.

layoff notice (avis de mise en disponibilité)

Is a written notice of layoff to be given to a surplus employee at least one month before the scheduled layoff date. This period is included in the surplus period.

layoff priority (priorité de mise en disponibilité)

A person who has been laid off is entitled to a priority for appointment without competition or appeal to a position in the public service for which, in the opinion of the PSC, they are qualified. This priority is accorded for one year following the layoff date, pursuant to subsection 41(5) of the *Public Service Employment Act*, or following the termination date, pursuant to paragraphs 41(4), 44 and 46 of the *Public Service Employment Act*.

opting employee (employé-e optant)

Is an indeterminate employee whose services will no longer be required because of a work force adjustment situation and who has not received a guarantee of a reasonable job offer from the deputy head and who has one hundred and twenty (120) days to consider the options of Part 6.3 of this Appendix.

pay (rémunération)

Has the same meaning as “rate of pay” in this agreement.

priority administration system (système d’administration des priorités)

Is a system designed by the PSC to facilitate appointments of individuals entitled to statutory and regulatory priorities.

public service (fonction publique)

Means the several positions in or under any department, agency, or other portion of the public service of Canada specified in Schedules I and IV of the *Financial Administration Act*, for which the PSC has the sole authority to appoint.

reasonable job offer (offre d’emploi raisonnable)

Is an offer of indeterminate employment within the public service, normally at an equivalent level but could include lower levels. Surplus employees must be both trainable and mobile. Where practicable, a reasonable job offer shall be within the employee’s headquarters as defined

in the *Travel Directive*. In Alternative Delivery situations, a reasonable offer is one that meets the criteria set out in Type 1 and Type 2 of Part VII of this Appendix.

reinstatement priority (priorité de réintégration)

Is an appointment priority accorded by the PSC, pursuant to the *Public Service Employment Regulations*, to certain individuals salary-protected under this Appendix for the purpose of assisting such persons to re-attain an appointment level equivalent to that from which they were declared surplus.

Is the authorized move of a work unit of any size to a place of duty beyond what, according to local custom, is normal commuting distance from the former work location and from the employee's current residence.

retraining (recyclage)

Is on-the-job training or other training intended to enable affected employees, surplus employees and laid-off persons to qualify for known or anticipated vacancies within the public service.

surplus employee (employé-e excédentaire)

Is an indeterminate employee who has been formally declared surplus, in writing, by his or her deputy head.

surplus priority (priorité d'employé-e excédentaire)

Is an entitlement for a priority in appointment accorded by the PSC, pursuant to the *Public Service Employment Regulations*, to surplus employees to permit them to be appointed to other positions in the public service without competition or right of appeal.

surplus status (statut d'employé-e excédentaire)

An indeterminate employee is in surplus status from the date he or she is declared surplus until the date of layoff, until he or she is indeterminately appointed to another position, until his or her surplus status is rescinded, or until the person resigns.

Transition Support Measure (mesure de soutien à la transition)

Is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer. The Transition Support Measure is a payment based on the employee's years of service in the public service, as per Annex B.

Is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer.

work force adjustment (réaménagement des effectifs)

Is a situation that occurs when a deputy head decides that the services of one or more indeterminate employees will no longer be required beyond a specified date because of a lack of work, the discontinuance of a function, a relocation in which the employee does not wish to relocate or an alternative delivery initiative.

Authorities

The PSC has endorsed those portions of this Appendix for which it has responsibility.

Monitoring

Departments shall retain central information on all cases occurring under this Appendix, including the reasons for the action; the number, occupational groups and levels of employees concerned; the dates of notice given; the number of employees placed without retraining; the number of employees retrained (including number of salary months used in such training); the levels of positions to which employees are appointed and the cost of any salary protection; and the number, types, and amounts of lump sums paid to employees.

This information will be used by the Treasury Board Secretariat to carry out its periodic audits.

Responsible officers in departmental headquarters seeking interpretations and guidance may contact the Employment Equity and Priority Administration Division of the Recruitment Programs and Priority Administration Directorate, Resourcing and Learning Branch, Public Service Commission of Canada.

Part I: roles and responsibilities

1.1 Departments

1.1.1 Since indeterminate employees who are affected by work force adjustment situations are not themselves responsible for such situations, it is the responsibility of departments to ensure that they are treated equitably and, whenever possible, given every reasonable opportunity to continue their careers as public service employees.

1.1.2 Departments shall carry out effective human resource planning to minimize the impact of work force adjustment situations on indeterminate employees, on the department, and on the public service.

1.1.3 Departments shall establish joint work force adjustment committees, where appropriate, to advise and consult on the work force adjustment situations within the department. Terms of reference of such committees shall include a process for addressing alternation requests from other departments and/or organizations.

1.1.4 Departments shall, as the home department, cooperate with the PSC and appointing departments in joint efforts to redeploy or retrain for redeployment to appointing departments departmental surplus employees and laid-off persons.

1.1.5 Departments shall establish systems to facilitate redeployment or retraining of the department's affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required.

Such a communication shall also indicate if the employee:

- is being provided a guarantee of a reasonable job offer from the deputy head and that the employee will be in surplus status from that date on,
or
- is an opting employee and has access to the options of section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible layoff date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to work force adjustment for whom they know or can predict employment availability in the public service.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide one hundred and twenty (120) days to consider the three (3) options outlined in Part VI of this Appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected Option (a), Twelve (12) month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to either provide a guarantee of a reasonable job offer or access to the options set out in 6.3 of this Appendix, upon request of any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments shall send written notice to the PSC of the employee's surplus status, and shall send to the PSC such details, forms, resumés, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 Departments shall advise and consult with the Bargaining Agent representatives as completely as possible regarding any work force adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the Bargaining Agent the name and work location of affected employees.

1.1.12 The home department shall recommend in writing to the PSC whether the employee is suitable for appointment. Where an employee is not considered suitable for appointment, the department shall advise the employee and the Bargaining Agent of that recommendation. The department shall send to the employee a copy of the written communication to the Public Service Commission, indicating the reasons for the recommendation together with any enclosures. The

department shall also advise the employee that he or she may make oral or written submissions about the matter to the Public Service Commission before the PSC makes its decision. Where the Public Service Commission does not accept the department's recommendation, the department shall provide the surplus period required under this Appendix, beginning on the date the department is advised of the decision. The department shall so advise the employee.

1.1.13 The home department shall provide the PSC with a statement that it would be prepared to appoint the surplus employee to a suitable position in the department commensurate with his or her qualifications, if such a position were available.

1.1.14 Departments shall provide that employee with the official notification that he or she has become subject to a work force adjustment and shall remind them that Appendix "E" on work force adjustment of this agreement applies.

1.1.15 Deputy heads shall apply this Appendix so as to keep actual involuntary layoffs to a minimum, and layoffs shall normally only occur where an individual has refused a reasonable job offer, or is not mobile, or cannot be retrained within two (2) years, or is laid off at his or her own request.

1.1.16 Departments are responsible to counsel and advise their affected employees on their opportunities of finding continuing employment in the public service.

1.1.17 Appointment of surplus employees to alternative positions, whether with or without retraining, shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.18 Home departments shall appoint as many of their own surplus employees or laid off persons as possible, or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.19 Home departments shall relocate surplus employees and laid-off individuals, if necessary.

1.1.20 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, providing that:

- there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;
or
- no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.21 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department. Such cost shall be consistent with the *Travel Directive* and *Relocation Directive*.

1.1.22 For the purposes of the *Relocation Directive*, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on Employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.23 For the purposes of the *Travel Directive*, laid-off persons travelling to interviews for possible reappointment to public service are deemed to be “other persons travelling on government business.”

1.1.24 For the priority period, home departments shall pay the salary costs, and other authorized costs such as tuition, travel, relocation, and retraining for surplus employees and laid-off persons, as provided for in this agreement and the various directives; all authorized costs of termination; and salary protection upon lower-level appointment, unless the appointing department is willing to absorb these costs in whole or in part.

1.1.25 Where a surplus employee is appointed by another department to a term position, the home department is responsible for the costs above for one year from the date of such appointment, after which the appointing department becomes the new home department.

1.1.26 Departments shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this Appendix.

1.1.27 Departments shall inform the PSC in a timely fashion of the results of all referrals made to them under this Appendix, whether such referrals are for immediate appointment, for retraining designed to qualify individuals for appointment, or for anticipated vacancies.

1.1.28 Departments shall review the use of private temporary agency personnel, employees appointed for a specified period (terms) and all other non-indeterminate employees. Where practicable, departments shall not re-engage such temporary agency personnel nor renew the employment of such employees referred to above where such action would facilitate the appointment of surplus employees or laid-off persons.

1.1.29 Nothing in the foregoing shall restrict the Employer’s right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for these short-term work opportunities.

1.1.30 Departments may lay off an employee at a date earlier than originally scheduled when the surplus employee requests them to do so in writing.

1.1.31 Departments, acting as appointing departments, shall cooperate with the PSC and other departments in accepting, to the extent possible, affected, surplus and laid-off persons, from other departments for appointment or retraining.

1.1.32 Departments shall provide surplus employees with a layoff notice at least one (1) month before the proposed layoff date, if appointment efforts have been unsuccessful. A copy of this notice shall be provided to the President of the Union of Canadian Correctional Officers – Syndicat des agents correctionnels du Canada – CSN.

1.1.33 When a surplus employee refuses a reasonable job offer, he or she shall be subject to layoff one month after the refusal, however, not before six (6) months after the surplus declaration date.

1.1.34 Departments are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.35 Departments shall inform and counsel affected and surplus employees as early and as completely as possible and shall, in addition, assign a counsellor to each opting and surplus employee and laid-off person to work with them throughout the process. Such counselling is to include explanations and assistance concerning:

- a. the work force adjustment situation and its effect on that individual;
- b. the work force adjustment Appendix;
- c. the PSC's Priority Administration System and how it works from the employee's perspective (referrals, interviews or "boards," feedback to the employee, follow-up by the PSC, how the employee can obtain job information and prepare for an interview, etc.);
- d. preparation of a curriculum vitae or resumé;
- e. preparation for an interview with the PSC;
- f. the employee's rights and obligations;
- g. the employee's current situation (for example: pay, benefits such as severance pay and superannuation, classification, language rights, years of service);
- h. alternatives that might be available to the employee (the alternation process, appointment, relocation, retraining, lower-level employment, term employment, retirement including possibility of waiver of penalty if entitled to an annual allowance, Transition Support Measure, education allowance, pay in lieu of unfulfilled surplus period, resignation, accelerated layoff);
- i. the likelihood that the employee will be successfully appointed;
- j. the meaning of a guarantee of reasonable job offer, a twelve (12) month surplus priority period in which to secure a reasonable job offer, a Transition Support Measure, an education allowance;
- k. advise employees to seek out proposed alternations and submit requests for approval as soon as possible after being informed they will not be receiving a guarantee of a reasonable job offer;
- l. the Human Resources Centres and their services (including a recommendation that the employee register with the nearest office as soon as possible);
- m. preparation for interviews with prospective Employers;
- n. repeat counselling as long as the individual is entitled to a staffing priority and has not been appointed;
and
- o. advising the employee that refusal of a reasonable job offer will jeopardize both chances for retraining and overall employment continuity;
- p. Advising employees of the right to be represented by the Union in the application of this Appendix.

1.1.36 Home departments shall ensure that, when it is required to facilitate appointment, a retraining plan is prepared and agreed to in writing by themselves, the employee and the appointing department.

1.1.37 Severance pay and other benefits flowing from other clauses in this agreement are separate from, and in addition to, those in this Appendix.

1.1.38 Any surplus employee who resigns under this Appendix shall be deemed, for the purposes of severance pay and retroactive remuneration, to be involuntarily laid off on the day as of which the deputy head accepts in writing the employee's resignation.

1.2 The Treasury Board Secretariat

1.2.1 It is the responsibility of the Treasury Board Secretariat to:

- a. investigate and seek to resolve situations referred by the PSC or other parties, and
- b. consider departmental requests for retraining resources.

1.3 The Public Service Commission

1.3.1 The PSC shall establish and modify staffing policies and procedures to ensure the most effective and efficient means of maximizing the redeployment of surplus employees and the appointment of laid-off persons to positions in the public service.

1.3.2 The PSC shall temporarily restrict or suspend any authority delegated to deputy heads to make appointments in specified occupational groups when such action is necessary.

1.3.3 The PSC shall actively market surplus employees and laid-off persons to all departments unless the individuals have advised the PSC in writing that they are not available for appointment.

1.3.4 The PSC shall advise the Treasury Board Secretariat when departments fail to comply in good faith with this Appendix and/or to cooperate with the PSC in redeployment, retraining, or appointment activities.

1.3.5 The PSC shall determine, to the extent possible, the occupations in which there are skill shortages for which surplus employees or laid-off persons could be retrained, and advise departments accordingly.

1.3.6 The PSC shall provide surplus and laid-off individuals with counselling on their work force adjustment situation and its impact on them during their priority entitlement.

1.3.7 The PSC shall provide information directly to the Bargaining Agent on the numbers and status of their members who are in the Priority Administration System and, on a service-wide basis, through reports to the Bargaining Agent.

1.3.8 The Public Service Commission shall decide whether employees are suitable for appointment. Where a deputy head recommends that an employee is not suitable, the PSC shall, after considering such a recommendation, and representations of the employee or his or her representative, advise the deputy head, the employee, and his or her representative of its decision whether the employee is entitled to surplus and layoff priority and the reasons for the decision. The PSC shall also inform the Bargaining Agent of its decision.

1.3.9 The PSC shall, wherever possible, ensure that reinstatement priority is given to all employees who are subject to salary protection.

1.3.10 While the responsibility for retraining lies with the home department, the PSC is responsible for making the appropriate referrals and may recommend retraining where it would facilitate appointment, and the appointing department is responsible for considering retraining the individual and for justifying a decision not to retrain.

1.3.11 The PSC shall inform, in a routine and timely manner, a surplus employee or laid-off person, his or her home department and a representative of the Bargaining Agent, when he or she has been referred to a department for consideration but will not be offered the position. The PSC shall include full details of why he or she will not be appointed to or retrained for that position.

1.4 Employees

1.4.1 Employees have the right to be represented by the Bargaining Agent in the application of this Appendix.

1.4.2 Employees who are directly affected by work force adjustment situations and who receive a guarantee of a reasonable job offer, or who opt, or are deemed to have opted, for Option (a) of Part VI of this Appendix are responsible for:

- a. actively seeking alternative employment in co-operation with their departments and the PSC, unless they have advised the department and the PSC, in writing, that they are not available for appointment;
- b. seeking information about their entitlements and obligations;
- c. providing timely information to the home department and to the PSC to assist them in their appointment activities (including curriculum vitae or resumés);
- d. ensuring that they can be easily contacted by the PSC and appointing departments, and attending appointments related to referrals;
- e. seriously considering job opportunities presented to them (referrals within the home department, referrals from the PSC, and job offers made by departments), including retraining and relocation possibilities, specified period appointments and lower-level appointments.

1.4.3 Opting employees are responsible for:

- a. considering the options of Part VI of this Appendix;
- b. communicating their choice of options, in writing, to their manager no later than one hundred and twenty (120) days after being declared opting.

Part II: official notification

2.1 Department

2.1.1 In any work force adjustment situation which is likely to involve ten or more indeterminate employees covered by this Appendix, the department concerned shall notify the Director, Human Resources Management Group, Human Resources Management Division, Human Resources Branch, Treasury Board Secretariat, in confidence, at the earliest possible date and under no circumstances less than ninety-six (96) hours before the situation is announced. The department shall send a copy of the advice to the Director General, Recruitment Programs and Priority Administration Directorate, Resourcing and Learning Branch, Public Service Commission.

2.2 Treasury Board Secretariat

2.2.1 Upon notification by the department concerned in 2.1 above, and under no circumstances less than forty-eight (48) hours before the situation is announced, the Director, Human Resources Management Group, Human Resources Branch, Treasury Board Secretariat shall inform, in writing and in confidence, the chief executive officer of the Bargaining Agent. This information is to include the identity and location of the work unit(s) involved; the expected date of the announcement; the anticipated timing of the situation; and the numbers of employees, by group and level, who will be affected.

Part III: relocation of a work unit

3.1 General

3.1.1 In cases where a work unit is to be relocated, departments shall provide all employees whose positions are to be relocated with the opportunity to choose whether they wish to move with the position or be treated as if they were subject to a work force adjustment situation.

3.1.2 Following written notification, employees must indicate, within a period of six months, their intention to move. If the employee's intention is not to move with the relocated position, the deputy head can either provide the employee with a guarantee of a reasonable job offer or access to the options set out in section 6.3 of this Appendix.

3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.19 to 1.1.23.

3.1.4 Although departments will endeavour to respect employee location preferences, nothing precludes the department from offering the relocated position to employees in receipt of a guarantee of a reasonable job offer from their deputy heads, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the options set out in Part VI of this Appendix.

Part IV: retraining

4.1 General

4.1.1 To facilitate the redeployment of affected employees, surplus employees, and laid-off persons, departments shall make every reasonable effort to retrain such persons for:

- a. existing vacancies,
or
- b. anticipated vacancies identified by management.

4.1.2 The PSC and departments shall be responsible for identifying situations where retraining can facilitate the appointment of surplus employees and laid-off persons, and shall cooperate in such efforts.

4.1.3 Subject to the provisions of 4.1.2, the deputy head of the home department shall approve up to two years of retraining, unless retraining costs cannot be absorbed, in which case the prior approval of the Treasury Board Secretariat is required following review of a retraining plan by the PSC.

4.2 Surplus employees

4.2.1 A surplus employee is eligible for retraining providing:

- a. retraining is needed to facilitate the appointment of the individual to a specific vacant position or will enable the individual to qualify for anticipated vacancies in occupations or locations where there is a shortage of qualified candidates;
and
- b. there are no other available priority persons who qualify for the position.

4.2.2 The home department is responsible for ensuring that an appropriate retraining plan is prepared and is agreed to in writing by the employee and the delegated officers of the home and appointing departments.

4.2.3 Once a retraining plan has been initiated, its continuation and completion are subject to satisfactory performance by the employee.

4.2.4 While on retraining, a surplus employee continues to be employed by the home department and is entitled to be paid in accordance with his or her current appointment, unless the appointing department is willing to appoint the employee indeterminately, conditional on successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department, the proposed layoff date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period, provided that the Employer has been unsuccessful in making the employee a reasonable job offer.

4.3 Laid-off persons

4.3.1 A laid-off person shall be eligible for retraining, with the approval of the PSC, providing:

- a. retraining is needed to facilitate the appointment of the individual to a specific vacant position;
- b. the individual meets the minimum requirements set out in the relevant Selection Standard for appointment to the group concerned;
- c. there are no other available persons with a priority who qualify for the position; and
- d. the appointing department cannot justify a decision not to retrain the individual.

4.3.2 When an individual is offered an appointment conditional on successful completion of retraining, a retraining plan reviewed by the PSC shall be included in the letter of offer. If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid off, the employee will be salary protected in accordance with Part V.

Part V: salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this Appendix shall have their salary and pay equity equalization payments, if any, protected in accordance with the salary protection provisions of this agreement, or, in the absence of such provisions, the appropriate provisions of the *Regulations Respecting Pay on Reclassification or Conversion*.

5.1.2 Employees whose salary is protected pursuant to section 5.1.1. will continue to benefit from salary protection until such time as they are appointed or deployed into a position with a maximum rate of pay that is equal to or higher than the maximum rate of pay of the position from which they were declared surplus or laid off.

Part VI: options for employees

6.1 General

6.1.1 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those affected employees for whom they know or can predict employment availability. Employees in receipt of this guarantee would not have access to the choice of options below.

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have one hundred and twenty (120) days to consider the three (3) options below before a decision is required of them.

6.1.3 The opting employee must choose, in writing, one of the three options of section 6.3 of this Appendix within the one hundred and twenty (120) day window. The employee cannot change options once having made a written choice.

6.1.4 If the employee fails to select an option, the employee will be deemed to have selected Option (a), Twelve-month surplus priority period in which to secure a reasonable job offer at the end of the one hundred and twenty (120) day window.

6.1.5 If a reasonable job offer which does not require a relocation is made at any time during the one hundred and twenty (120) day opting period and prior to the written acceptance of the Transition Support Measure or the education allowance option, the employee is ineligible for the TSM, the pay in lieu of unfulfilled surplus period or the education allowance.

6.1.6 A copy of any letter issued by the Employer under this part or notice of layoff pursuant to the *Public Service Employment Act* shall be sent forthwith to the President of the Union of Canadian Correctional Officers – Syndicat des agents correctionnels du Canada – CSN.

6.2 Voluntary programs

Departments and organizations shall establish voluntary departure programs for all workforce adjustments situations involving five (5) or more affected employees working at the same group and level and in the same work unit. Such programs shall:

- A. Be the subject of meaningful consultation through joint Union-management WFA committees.
- B. Volunteer programs shall not be used to exceed reduction targets. Where reasonably possible, departments and organizations will identify the number of positions for reduction in advance of the voluntary programs commencing.
- C. Take place after affected letters have been delivered to employees.
- D. Take place before the department or organization engages in the SERLO process.
- E. Provide for a minimum of thirty (30) calendar days for employees to decide whether they wish to participate.
- F. Allow employees to select options B, Ci or Cii.

- G. Provide that when the number of volunteers is larger than the required number of positions to be eliminated, volunteers will be selected based on seniority (total years of service in the public service, whether continuous or discontinuous).

6.3 Alternation

6.3.1 All departments must participate in the alternation process.

6.3.2 An alternation occurs when an opting employee who wishes to remain in the public service exchanges positions with a non-affected employee (the alternate) willing to leave the public service under the terms of Part VI of this Appendix.

6.3.3

- a. Only opting and surplus employees who are surplus as a result of having chosen Option A may alternate into an indeterminate position that remains in the core public administration.
- b. If an alternation is proposed for a surplus employee, as opposed to an opting employee, the Transition Support Measure that is available to the alternate under 6.4.1(b) or 6.4.1(c) (i) shall be reduced by one week for each completed week between the beginning of the employee's surplus priority period and the date the alternation is proposed.

6.3.4 An indeterminate employee wishing to leave the public service may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation will result in retaining the skills required to meet the ongoing needs of the position and the public service.

6.3.5 An alternation must permanently eliminate a function or a position.

6.3.6 The opting employee moving into the unaffected position must meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position, except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five (5) days of the alternation.

6.3.7 An alternation should normally occur between employees at the same group and level. When the two (2) positions are not the same group and level, alternation can still occur when the positions can be considered equivalent. They are considered equivalent when the maximum rate of pay for the higher-paid position is no more than six per cent (6%) higher than the maximum rate of pay for the lower paid position.

6.3.8 An alternation must occur on a given date, that is, two (2) employees directly exchange positions on the same day. There is no provision in alternation for a "domino" effect or for "future considerations."

For clarity, the alternation will not be denied solely as a result of untimely administrative processes.

6.4 Options

6.4.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of options below:

- a. Twelve (12) month surplus priority period in which to secure a reasonable job offer is time-limited. Should a reasonable job offer not be made within a period of twelve (12) months, the employee will be laid off in accordance with the *Public Service Employment Act*. Employees who choose or are deemed to have chosen this option are surplus employees.

When a surplus employee who has chosen, or who is deemed to have chosen, Option (a) offers to resign before the end of the twelve (12) month surplus priority period, the deputy head may authorize a lump-sum payment equal to the surplus employee's regular pay for the balance of the surplus period, up to a maximum of six (6) months. The amount of the lump-sum payment for the pay in lieu cannot exceed the maximum of that which he or she would have received had they chosen Option (b), the Transition Support Measure.

Departments will make every reasonable effort to market a surplus employee and the Employer will ask the Public Service Commission to make every reasonable effort to market a surplus employee within the employee's surplus period within his or her preferred area of mobility.

or

- b. Transition Support Measure (TSM) is a payment, based on the employee's years of service in the public service (see Annex B) made to an opting employee. Employees choosing this option must resign but will be considered to be laid off for purposes of severance pay. The TSM shall be paid in one (1) or two (2) lump-sum amounts over a maximum two (2) year period.

or

- c. Education allowance is a Transitional Support Measure (see Option (b) above) plus an amount of not more than fifteen thousand dollars (\$15,000) for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and relevant equipment. Employees choosing Option (c) could either:
 - i. resign from the public service but be considered to be laid off for severance pay purposes on the date of their departure,
 - or
 - ii. Delay their departure date and go on leave without pay for a maximum period of two (2) years, while attending the learning institution. The TSM shall be paid in one (1) or two (2) lump-sum amounts over a maximum two (2) year period. During this period, employees could continue to be public service benefit plan members and contribute both Employer and employee share to the benefits plans and the Public Service Superannuation Plan. At the end of the two (2) year leave

without pay period, unless the employee has found alternate employment in the public service, the employee will be laid off in accordance with the *Public Service Employment Act*.

6.4.2 Management will establish the departure date of opting employees who choose Option (b) or Option (c) above.

6.4.3 The TSM, pay in lieu of unfulfilled surplus period and the education allowance cannot be combined with any other payment under the work force adjustment Appendix.

6.4.4 In the cases of: pay in lieu of unfulfilled surplus period, Option (b) and Option (c)(i), the employee relinquishes any priority rights for reappointment upon acceptance of his or her resignation.

6.4.5 Employees choosing Option (c)(ii) who have not provided their department with a proof of registration from a learning institution twelve (12) months after starting their leave without pay period will be deemed to have resigned from the public service, and be considered to be laid off for purposes of severance pay.

6.4.6 Opting employees who choose Option (b) or (c) above will be entitled to up to one thousand dollars (\$1,000) towards counselling services in respect of their potential re-employment or retirement. Such counselling services may include financial and job placement counselling services.

6.4.7 An opting employee who has received pay in lieu of unfulfilled surplus period, a TSM or an education allowance and is reappointed to the public service shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such reappointment or hiring, to the end of the original period for which the TSM or education allowance was paid.

6.4.8 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorized where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.4.9 If a surplus employee who has chosen, or is deemed to have chosen, Option (a) refuses a reasonable job offer at any time during the twelve (12) month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.4.10 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management, but shall not be unreasonably denied.

6.5 Retention payment

6.5.1 There are three (3) situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.5.2 All employees accepting retention payments must agree to leave the public service without priority rights.

6.5.3 An individual who has received a retention payment and, as applicable, is either reappointed to that portion of the public service of Canada specified from time to time in Schedules I and IV of the *Financial Administration Act*, or is hired by the new Employer within the six (6) months immediately following his or her resignation, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of such reappointment or hiring, to the end of the original period for which the lump sum was paid.

6.5.4 The provisions of 6.5.5 shall apply in total facility closures where public service jobs are to cease, and:

- a. such jobs are in remote areas of the country,
or
- b. retraining and relocation costs are prohibitive,
or
- c. prospects of reasonable alternative local employment (whether within or outside the public service) are poor.

6.5.5 Subject to 6.5.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the public service to take effect on that closure date, a sum equivalent to six (6) months' pay payable upon the day on which the departmental operation ceases, provided the employee has not separated prematurely.

6.5.6 The provisions of 6.5.7 shall apply in relocation of work units where public service work units:

- a. are being relocated,
and
- b. when the deputy head of the home department decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of workplace relocation,
and
- c. where the employee has opted not to relocate with the function.

6.5.7 Subject to 6.5.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and offers a resignation from the public service to take effect on the relocation date, a sum equivalent to six (6) months' pay payable upon the day on which the departmental operation relocates, provided the employee has not separated prematurely.

6.5.8 The provisions of 6.5.9 shall apply in alternative delivery initiatives:

- a. where the public service work units are affected by alternative delivery initiatives;

- b. when the deputy head of the home department decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new Employer;
and
- c. where the employee has not received a job offer from the new Employer or has received an offer and did not accept it.

6.5.9 Subject to 6.5.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the public service to take effect on the transfer date, a sum equivalent to six (6) months' pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII: special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- a. fair and reasonable treatment of employees;
- b. value for money and affordability;
and
- c. maximization of employment opportunities for employees.

The parties recognize:

1. the Union's need to represent employees during the transition process;
2. the Employer's need for greater flexibility in organizing the public service.

7.1 Definitions

For the purpose of this part, an **alternative delivery initiative (diversification des modes de prestation des services)**

Is the transfer of any work, undertaking or business of the public service to any body or corporation that is a separate Employer or that is outside the public service;

For the purpose of this part, a **reasonable job offer (offre d'emploi raisonnable)**

Is an offer of employment received from a new Employer in the case of a Type 1 or Type 2 transitional employment arrangement, as determined in accordance with section 7.2.2;

For the purpose of this part, a **termination of employment (licenciement de l'employé-e)**

Is the termination of employment referred to in paragraph 12(1)f) of the *Financial Administration Act* (FAA).

7.2 General

Departments will, as soon as possible after the decision is made to proceed with an ASD initiative, and if possible, not less than one hundred and eighty (180) days prior to the date of transfer, provide notice to the Bargaining Agent component(s) of its intention.

The notice to the Bargaining Agent component(s) will include:

- a. the program being considered for ASD,
- b. the reason for the ASD,
and
- c. the type of approach anticipated for the initiative (for example, transfer to province, commercialization).

A joint WFA-ASD committee will be created for ASD initiatives and will have equal representation from the department and the component(s). By mutual agreement the committee may include other participants. The joint WFA-ASD committee will define the rules of conduct of the committee.

In cases of ASD initiatives, the parties will establish a joint WFA-ASD committee to conduct meaningful consultation on the human resources issues related to the ASD initiative in order to provide information to the employee which will assist him or her in deciding on whether or not to accept the job offer.

1. Commercialization

In cases of commercialization where tendering will be part of the process, the members of the joint WFA-ASD committee shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (for example, terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be used in the request for proposal (RFP) process. The committee will respect the contracting rules of the federal government.

2. Creation of a new agency

In cases of the creation of new agencies, the members of the joint WFA/ASD committee shall make every reasonable effort to agree on common recommendations related to human resources issues (for example, terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing Employers

In all other ASD initiatives where an Employer-employee relationship already exists the parties will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In the cases of commercialization and creation of new agencies consultation opportunities will be given to the component(s); however, in the event that agreements are not possible, the department may still proceed with the transfer.

7.2.1 The provisions of this part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this Appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new Employer shall be treated in accordance with the provisions of this part and, only where specifically indicated will other provisions of this Appendix apply to them.

7.2.2 There are three (3) types of transitional employment arrangements resulting from alternative delivery initiatives:

a. Type 1 (full continuity)

Type 1 arrangements meet all of the following criteria:

- i. legislated successor rights apply. Specific conditions for successor rights applications will be determined by the labour legislation governing the new Employer;
- ii. recognition of continuous employment in the public service, as defined in the *Directive on Terms and Conditions of Employment*, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;
- iii. pension arrangements according to the Statement of Pension Principles set out in Annex A, or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to section 7.7.3;
- iv. transitional employment guarantee: a two (2) year minimum employment guarantee with the new Employer;
- v. coverage in each of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
- vi. short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to maximum of the new Employer's LTDI waiting period.

b. Type 2 (substantial continuity)

Type 2 arrangements meet all of the following criteria:

- i. the average new hourly salary offered by the new Employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are the same;

- ii. the average annual salary of the new Employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of federal annual remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential), when the hours of work are different;
 - iii. pension arrangements according to the Statement of Pension Principles as set out in Annex A, or in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to section 7.7.3;
 - iv. transitional employment guarantee: employment tenure equivalent to that of the permanent work force in receiving organizations or a two (2) year minimum employment guarantee;
 - v. coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
 - vi. short-term disability arrangement.
- c. **Type 3 (lesser continuity)**

A Type 3 arrangement is any alternative delivery initiative that does not meet the criteria applying in Type 1 and 2 transitional employment arrangements.

7.2.3 For Type 1 and Type 2 transitional employment arrangements, the offer of employment from the new Employer will be deemed to constitute a reasonable job offer for purposes of this part.

7.2.4 For Type 3 transitional employment arrangements, an offer of employment from the new Employer will not be deemed to constitute a reasonable job offer for purposes of this part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new Employers and advising the home department of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments shall provide written notice to all employees offered employment by the new Employer, giving them the opportunity to choose whether they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of sixty (60) days their intention to accept the employment offer, except in the case of Type 3 arrangements, where home departments may specify a period shorter than sixty (60) days, but not less than thirty (30) days.

7.5 Job offers from new Employers

7.5.1 Employees subject to this Appendix (see “Application”) and who do not accept the reasonable job offer from the new Employer in the case of Type 1 or 2 transitional employment arrangements will be given four (4) months’ notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed upon date before the end of the four (4) month notice period except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer.

7.5.2 The deputy head may extend the notice of termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new Employer.

7.5.3 Employees who do not accept a job offer from the new Employer in the case of Type 3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this Appendix.

7.5.4 Employees who accept a job offer from the new Employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department for operational reasons provided that this does not create a break in continuous service between the public service and the new Employer.

7.6 Application of other provisions of the Appendix

7.6.1 For greater certainty, the provisions of Part II, Official Notification, and section 6.4, Retention Payment, will apply in the case of an employee who refuses an offer of employment in the case of a Type 1 or 2 transitional employment arrangement. A payment under section 6.4 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this Appendix (see “Application”) and who accept the offer of employment from the new Employer in the case of Type 2 transitional employment arrangements will receive a sum equivalent to three (3) months’ pay, payable upon the day on which the departmental work or function is transferred to the new Employer. The home department will also pay these employees an eighteen (18) month salary top-up allowance equivalent to the difference between the remuneration applicable to their public service position and the salary applicable to their position with the new Employer. This allowance will be paid as a lump sum, payable on the day on which the departmental work or function is transferred to the new Employer.

7.7.2 In the case of individuals who accept an offer of employment from the new Employer in the case of a Type 2 arrangement whose new hourly or annual salary falls below eighty per cent (80%) of their former federal hourly or annual remuneration, departments will pay an additional six (6) months of salary top-up allowance for a total of twenty-four (24) months under this section and section 7.7.1. The salary top-up allowance equivalent to the difference between the remuneration applicable to their public service position and the salary applicable to their position with the new Employer will be paid as a lump sum payable on the day on which the departmental work or function is transferred to the new Employer.

7.7.3 Employees who accept the reasonable job offer from the successor Employer in the case of a Type 1 or Type 2 transitional employment arrangement where the test of reasonableness referred to in the Statement of Pension Principles set out in Annex A is not met, that is, where the actuarial value (cost) of the new Employer's pension arrangements are less than 6.5 per cent (6.5%) of pensionable payroll (excluding the Employer's costs related to the administration of the plan) will receive a sum equivalent to three (3) months' pay, payable on the day on which the departmental work or function is transferred to the new Employer.

7.7.4 Employees who accept an offer of employment from the new Employer in the case of Type 3 transitional employment arrangements will receive a sum equivalent to six (6) months' pay payable on the day on which the departmental work or function is transferred to the new Employer. The home department will also pay these employees a twelve (12) month salary top-up allowance equivalent to the difference between the remuneration applicable to their public service position and the salary applicable to their position with the new Employer. The allowance will be paid as a lump sum, payable on the day on which the departmental work or function is transferred to the new Employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equivalent to one year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term "remuneration" includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to subsection 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the public service of Canada specified from time to time in Schedules I, IV and V to the *Financial Administration Act* at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of reappointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to subsection 7.6.1 and, as applicable, is either reappointed to that portion of the public service of Canada specified from time to time in Schedules I, IV and V to the *Financial Administration Act* or hired by the new Employer at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada by an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new Employer will accept these credits.

7.9.2 Notwithstanding the provisions of this agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a Type 2 transitional employment arrangement, when the new Employer recognizes the employee's years of continuous employment in the public service for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer.

However, an employee who has a severance termination benefit entitlement under the terms of paragraph 33.05(b) or (c) of Appendix J shall be paid this entitlement at the time of transfer.

7.9.3 Where:

- a. the conditions set out in 7.9.2 are not met,
- b. the severance provisions of this agreement are extracted from this agreement prior to the date of transfer to another non-federal public sector Employer,
- c. the employment of an employee is terminated pursuant to the terms of section 7.5.1, or
- d. the employment of an employee who accepts a job offer from the new Employer in a Type 3 transitional employment arrangement is terminated on the transfer of the function to the new Employer,

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the public service terminates.

Annex A: statement of pension principles

1. The new Employer will have in place, or Her Majesty in right of Canada will require the new Employer to put in place, reasonable pension arrangements for transferring employees. The test of “reasonableness” will be that the actuarial value (cost) of the new Employer pension arrangements will be at least 6.5 per cent (6.5%) of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology developed by Towers Perrin for the Treasury Board, dated October 7, 1997. This Assessment Methodology will apply for the duration of this agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new Employer to put such reasonable pension arrangement in place effective on the transfer date, subject to the approval of Parliament and a written undertaking by the new Employer to pay the Employer costs, *Public Service Superannuation Act* (PSSA) coverage could be provided during a transitional period of up to a year.
2. Benefits in respect of service accrued to the point of transfer are to be fully protected.
3. Her Majesty in right of Canada will seek portability arrangements between the Public Service Superannuation Plan and the pension plan of the new Employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new Employer for vesting and benefit thresholds under the PSSA.

Appendix “C”

Overtime meal allowance

Effective January 1, 2014, all references and entitlements related to designated paid holidays no longer apply to employees working shifts in accordance with clause 21.02 of this agreement.

In view of the unique requirements found in the Correctional Service of Canada, and for the duration of the Correctional Services Group collective agreement, the Employer agrees to the following interpretation and application of the overtime meal allowance.

1. The overtime meal allowance will not be paid when an employee is provided with a meal(s) at departmental expense.
2. The “free meal” to be provided in lieu of the overtime meal allowance means a regular full-course meal as prepared in the institution where the employee is employed.
3. A snack or sandwiches will not be considered by the Employer as a full-course meal.
4. Notwithstanding the provisions of clause 21.15, when there is a reasonable expectation that an employee will work the full eight (8) hours’ overtime shift, the first (1st) half (1/2) hour meal break will be allowed prior to the working of the first three (3) hours of overtime, and the second (2nd) half (1/2) hour meal break will be allowed after approximately four (4) hours of overtime have been worked.
5. Where an employee is scheduled to work overtime on a day of rest or in the case of a day worker on a designated paid holiday, the provisions of clause 21.15, and this Appendix, shall be applicable only with respect to such additional overtime hours which the employee may work in excess of the employee’s prior scheduled hours of overtime on that day without prior notification.
6. Notwithstanding the above paragraphs, in the event that the Employer is unable to grant an employee reasonable time off with pay for the purpose of taking an overtime meal break in situations of both contiguous and non-contiguous overtime shifts, in lieu thereof the employee shall receive an additional one half (1/2) hour of overtime compensation at the same overtime rate of the shift completed.

Appendix “D”

Inmate escorts

For the duration of the Correctional Services Group collective agreement, the Employer agrees to the following:

1. To the extent practicable, the Employer will endeavour to avoid assigning correctional officers on inmate escorts on other than their regular working days.
2. When an officer is required to escort an inmate outside of the headquarters area the employee will be compensated as follows:
 - a. the total period during which the officer is escorting the inmate or has the inmate under visual surveillance will be considered as time worked and the officer will be compensated at the applicable straight-time and/or overtime rate;
 - b. an officer who is required to escort inmates at a time which is outside the officer's normal regular scheduled hours of work will be compensated at the applicable overtime rates;
 - c. an officer who escorts an inmate for a period of less than the duration of the officer's shift will receive his or her regular pay for the day. However, on these occasions, where practicable, an officer will be required to perform other correctional officer duties for the balance of the shift;
 - d. for day workers, on a statutory holiday or on a day of rest, and for all other employees on a day of rest, the employee will be compensated at the applicable overtime rate for the actual hours worked but in any event, no less than the equivalent of eight (8) hours at the straight-time rate;
 - e. all hours included between the time of reporting to the institution until the time of return shall be considered as hours worked when these hours are consecutive without interruption by overnight stopover for a suitable rest period;
 - f. when an officer's journey is interrupted by an overnight stopover the officer will be paid up to the time of the officer's arrival at his or her destination including normal travelling time to register at a hotel and will be paid for normal travelling time from the hotel to the officers point of departure. Thus, all hours between the normal time of registration at the hotel until the time of departure from the hotel will not be considered as hours worked;
 - g. on an inbound or outbound journey, without an inmate, the correctional officer will be compensated for his regular hours of work as if he or she had been working and the remaining time in travel to be compensated at the applicable overtime rate to a maximum of eight (8) hours;
 - h. on the return journey after a stopover and when escorting an inmate, the officer will be compensated as in paragraph (a) above;

- i. when a correctional officer, who has been performing escort duty outside the officer's headquarters area, does not have a reasonable rest period between the completion of the officer's escort duty and the start of his or her next scheduled shift, the officer will not be required to perform his or her duties for that day, however, the officer will receive a day's pay and the eight (8) hours will be deducted from the compensation earned during the period of escort.
3. When an officer is required to escort an inmate outside of the officer's headquarters area the officers will be subject to the following travelling conditions:
 - a. an officer will be reimbursed for reasonable expenses incurred as normally defined by the Employer;
 - b. an officer who is required to escort an inmate on a journey involving at least nine (9) hours will be given an overnight stopover whenever it is expected that the journey will exceed twelve (12) hours from the time of departure from the institution to the time of return to the institution;
 - c. whenever it is expected that an officer may be required to drive more than eighty (80) kilometres (fifty (50) miles) in any day beyond the number of kilometres normally defined by the Employer the officer will be given an overnight stopover.
4. When a correctional officer is responsible for escorting an inmate, the Correctional Service of Canada (CSC) shall give the officer, before the start of the escort duty, the amount of money needed to cover his authorized expenses as well as those of the inmate.

Appendix “K”

Letter of Understanding Between the Treasury Board and the Union of Canadian Correctional Officers – Syndicat des agents correctionnels du Canada – CSN (UCCO-SACC-CSN) with Respect to the Effective Scheduling for the Correctional Service of Canada (CSC)

Principles of effective scheduling

There are four (4) basic principles of effectively scheduling to meet the business need of the Correctional Service of Canada (CSC).

1. **Economic:** Ensuring that the shift schedules are developed in a cost-effective manner within existing funded resources.
2. **Operational:** Ensuring that the shift schedules are deploying the resources to all of the identified security activities.
3. **Contractual:** Ensuring that the shift schedules meet all of the clauses within the collective agreement.
4. **Process:** Ensuring that the national committee approves the shift schedules and their modifications submitted by the local committee before they are put into effect.

Rules for effective scheduling

The following rules have been established to maintain sustainable solutions for all stakeholders and to ensure effective scheduling that will address the business need of the organization and the quality of life for employees working in a correctional environment.

(A) Eight decimal five (8.5) hour shift schedules (Article 21.02)

Ensure shift schedules deploy employees for the correct hours of work in accordance with the collective agreement.

Build shift schedules to reflect the operational need of the institution. The current business need is eight (8), sixteen (16) and twenty-four (24) hour security activity coverage and shift schedules shall be developed based on the identified business need.

Deploy employees to the identified business need. For eight decimal five (8.5) hour shift schedules there shall only be eight decimal five (8.5) hour shifts for eight (8) hour correctional activities.

To maximize substitute relief positions there shall not be any overlap in the shift schedules. There shall be an equitable distribution of substitute relief positions for each day of the week, that is, eight decimal five (8.5) hour substitute relief positions for eight (8) hour correctional activities.

The process to determine how employees are assigned to an eight decimal five (8.5) hour shift schedule is determined by mutual agreement at the local Labour Management Committee level. In cases where mutual agreement cannot be reached on a priority rating system, the institution shall assign among all the employees who have expressed interest and meet the requirements of the position, the employee with the most years of service as a correctional officer.

(B) Modified shift schedules (Article 34)

Ensure shift schedules deploy employees for the correct hours of work in accordance with the collective agreement.

Build shift schedules to reflect the operational need of the institution. The current business need is eight (8), sixteen (16) and twenty-four (24) hour correctional activity coverage and shift schedules shall be developed based on the identified business need.

Deploy employees to the identified business need, that is, for twelve decimal seven five (12.75) hour shift schedules the majority of shifts shall be twelve decimal seven five (12.75) hour shifts for twelve (12) hour correctional activities.

To maximize substitute relief positions there shall not be any overlap in the shift schedules. There shall be an equitable distribution of substitute relief positions for each day of the week, that is, twelve decimal seven five (12.75) hour substitute relief positions for twelve (12) hour correctional activities.

Employees working a modified shift schedule that contains twelve (12) or more hours shall not be scheduled more than four (4) consecutive shifts in a row.

Employees working a modified shift schedule that contains a sixteen (16) hour shift shall normally be scheduled to only one sixteen (16) hour shift in a shift cycle.

The process to determine how employees are assigned to a modified shift schedule is determined by mutual agreement at the local Labour Management Committee level. In cases where mutual agreement cannot be reached on a priority rating system, the institution shall assign among all the employees who have expressed interest and meet the requirements of the position, the employee with the most years of service as a correctional officer.

Process for approving schedule and schedule changes

Prior to any shift schedules being approved for implementation at any institution, they shall be reviewed and certified by the national committee identified for the purpose of overseeing the shift schedules. The national committee will confirm that the above principles have been adhered to and reflected in the shift schedules. If the shift schedules do not reflect the principles then the schedule submitted shall not be certified for implementation and shall be referred back to the local for further changes/amendments.

Once a shift schedule has been approved and implemented, it shall only be altered by the mutual consent of the local Union and management and after the subsequent review and certification by the national committee. However, in cases where a change in the security level of the institution or organizational change (for example, number of approved posts, hours of operations for posts, classification or type of posts for deployment purposes), the shift schedule shall be re-submitted to the national committee to review the compliance with the above principles. The national committee shall on an annual basis, review shift schedules in effect in an institution to ensure continued compliance with the above principles.

Committee composition

- National Committee:
 - Two (2) Employer representatives
 - Two (2) Union representatives

- Institutional Committees: a minimum of:
 - One (1) Employer representative
 - One (1) Union representative

2. This Memorandum of Understanding shall remain in effect until amended or cancelled by mutual consent of the parties.
3. This Memorandum of Understanding supersedes the Regulations respecting Pay on Reclassification or Conversion where the Regulations are inconsistent with the Memorandum of Understanding.
4. Where the provisions of any collective agreement differ from those set out in the Memorandum of Understanding, the conditions set out in the Memorandum of Understanding shall prevail.
5. This Memorandum of Understanding will form part of all collective agreements to which the Public Service Alliance of Canada and Treasury Board are parties, with effect from December 13, 1981.

Part I

Part I of this Memorandum of Understanding shall apply to the incumbents of positions which will be reclassified to a group and/or level having a lower attainable maximum rate of pay after the date this Memorandum of Understanding becomes effective.

Note: The term “attainable maximum rate of pay” means the rate attainable for fully satisfactory performance in the case of levels covered by a performance pay plan or the maximum salary rate in the case of all other groups and levels.

1. Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.
2. Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level. In respect to the pay of the incumbent, this may be cited as Salary Protection Status and subject to section 3(b) below shall apply until the position is vacated or the attainable maximum of the reclassified level, as revised from time to time, becomes greater than that applicable, as revised from time to time, to the former classification level. Determination of the attainable maximum rates of pay shall be in accordance with the *Retroactive Remuneration Regulations*.
3.
 - a. The Employer will make a reasonable effort to transfer the incumbent to a position having a level equivalent to that of the former group and/or level of the position.

- b. In the event that an incumbent declines an offer of transfer to a position as in (a) above in the same geographic area, without good and sufficient reason, that incumbent shall be immediately paid at the rate of pay for the reclassified position.
4. Employees subject to section 3 will be considered to have transferred (as defined in the *Directive on Terms and Conditions of Employment*) for the purpose of determining increment dates and rates of pay.

Part II

Part II of the Memorandum of Understanding shall apply to incumbents of positions who are in holding rates of pay on the date this Memorandum of Understanding becomes effective.

1. An employee whose position has been downgraded prior to the implementation of this Memorandum and is being paid at a holding rate of pay on the effective date of an economic increase and continues to be paid at that rate on the date immediately prior to the effective date of a further economic increase, shall receive a lump-sum payment equal to 100% of the economic increase for the employee's former group and level (or where a performance pay plan applied to the incumbent, the adjustment to the attainable maximum rate of pay) calculated on his annual rate of pay.
2. An employee who is paid at a holding rate on the effective date of an economic increase, but who is removed from that holding rate prior to the effective date of a further economic increase by an amount less than he would have received by the application of paragraph 1 of Part II, shall receive a lump-sum payment equal to the difference between the amount equal to the difference between the amount calculated by the application of paragraph 1 of Part II and any increase in pay resulting from his removal from the holding rate.

Signed at Ottawa, this 9th day of the month of February 1982.

****Appendix “M”****Memorandum of Understanding Between the Treasury Board of Canada and the Union of Canadian Correctional Officers – Syndicat des Agents Correctionnels du Canada (CSN) with Respect to Retention at Port-Cartier and Grande-Cache Institutions**

The Union and the Employer agree to create a Joint Committee consisting of an equal number of Union and Employer representatives. The Committee will convene within 90 days of the signing of the collective agreement and will complete its work by December 31, 2022.

- Assess the potential relative impact the above opportunities.
- Prepare a summary of the joint committee’s discussions and findings to be submitted to the Correctional Service Canada (CSC) for consideration within its authority framework.

It is understood that any changes to the collective agreement resulting from these recommendations must be considered in the context of the collective bargaining process.

The deadline for completion of work may be extended by mutual consent of both parties to this agreement.

****Appendix “N”**

Memorandum of Understanding Between the Treasury Board of Canada and the Union of Canadian Correctional Officers – Syndicat des Agents Correctionnels du Canada (CSN) with Respect to Implementation of the Collective Agreement

Notwithstanding the provisions of clause 49.03 on the calculation of retroactive payments and clause 51.03 on the collective agreement implementation period, this memorandum is to give effect to the understanding reached between the Employer and the Union of Canadian Correctional Officers – Syndicat des agents correctionnels du Canada (CSN) regarding a modified approach to the calculation and administration of retroactive payments for the current round of negotiations.

1. Calculation of retroactive payments

- a. Retroactive calculations that determine amounts payable to employees for a retroactive period shall be made based on all transactions that have been entered into the pay system up to the date on which the historical salary records for the retroactive period are retrieved for the calculation of the retroactive payment.
- b. Retroactive amounts will be calculated by applying the relevant percentage increases indicated in the collective agreement rather than based on pay tables in agreement annexes. The value of the retroactive payment will differ from that calculated using the traditional approach, as no rounding will be applied. The payment of retroactive amount will not affect pension entitlements or contributions relative to previous methods, except in respect of the rounding differences.
- c. Elements of salary traditionally included in the calculation of retroactivity will continue to be included in the retroactive payment calculation and administration, and will maintain their pensionable status as applicable. The elements of salary included in the historical salary records and therefore included in the calculation of retroactivity include:
 - substantive salary
 - promotions
 - deployments
 - acting pay
 - extra duty pay / overtime
 - additional hours worked
 - maternity leave allowance
 - parental leave allowance
 - vacation leave and extra duty pay cash-out
 - severance pay
 - salary for the month of death
 - Transition Support Measure
 - eligible allowances and supplemental salary depending on collective agreement

- d. The payment of retroactive amounts related to transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved, such as acting pay, promotions, overtime and/or deployments, will not be considered in determining whether an agreement has been implemented.
- e. Any outstanding pay transactions will be processed once they are entered into the pay system and any retroactive payment from the collective agreement will be issued to impacted employees.

2. Implementation

- a. The effective dates for economic increases will be specified in the agreement. Other provisions of the collective agreement will be effective as follows:
 - i. All components of the agreement unrelated to pay administration will come into force on signature of agreement.
 - ii. Changes to existing and new compensation elements such as premiums, allowances, insurance premiums and coverage and changes to overtime rates will become effective within one hundred and eighty (180) days after signature of agreement, on the date at which prospective elements of compensation increases will be implemented under 2(b)(i).
 - iii. Payment of premiums, allowances, insurance premiums and coverage and overtime rates in the collective agreement will continue to be paid until changes come into force as stipulated in 2(a)(ii).
- b. Collective agreement will be implemented over the following time frames:
 - i. The prospective elements of compensation increases (such as prospective salary rate changes and other compensation elements such as premiums, allowances, changes to overtime rates) will be implemented within one hundred and eighty (180) days after signature of agreement where there is no need for manual intervention.
 - ii. Retroactive amounts payable to employees will be implemented within one hundred and eighty (180) days after signature of the agreement where there is no need for manual intervention.
 - iii. Prospective compensation increases and retroactive amounts that require manual processing by compensation advisors will be implemented within five hundred and sixty (560) days after signature of agreement. Manual intervention is generally required for employees on an extended period of leave without pay (for example, maternity/parental leave), salary protected employees and those with transactions such as leave with income averaging, pre-retirement transition leave and employees paid below minimum, above maximum or in between steps. Manual intervention may also be required for specific accounts with complex salary history.

3. **Employee recourse**

- a. An employee who is in the bargaining unit for all or part of the period between the first day of the collective agreement (that is, the day after the expiry of the previous collective agreement) and the signature date of the collective agreement will be entitled to a non-pensionable amount of five hundred dollars (\$500) payable within one hundred and eighty (180) days of signature, in recognition of extended implementation time frames and the significant number of transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved.
- b. Employees in the bargaining unit for whom the collective agreement is not implemented within one hundred and eighty-one (181) days after signature will be entitled to a fifty-dollar (\$50) non-pensionable amount; these employees will be entitled to an additional fifty-dollar (\$50) non-pensionable amount for every subsequent complete period of ninety (90) days their collective agreement is not implemented. These amounts will be included in their final retroactive payment.
- c. If an employee is eligible for compensation in respect of section 3 under more than one collective agreement, the following applies: the employee shall receive only one non-pensionable amount of five hundred dollars (\$500); for any period under 3(b), the employee may receive one fifty-dollar (\$50) payment.
- d. Late implementation of the 2018 collective agreements will not create any entitlements pursuant to the Agreement between UCCO-SACC-CSN or another bargaining agent and the Treasury Board of Canada with regard to damages caused by the Phoenix pay system.
- e. Employees for whom collective agreement implementation requires manual intervention will be notified of the delay within one hundred and eighty (180) days after signature of the agreement.
- f. Employees will be provided a detailed breakdown of the retroactive payments received and may request that the departmental compensation unit or the Public Service Pay Centre verify the calculation of their retroactive payments, where they believe these amounts are incorrect. The Employer will consult with UCCO-SACC-CSN regarding the format of the detailed breakdown.
- g. In such a circumstance, for employees in organizations serviced by the Pay Centre, they must first complete a Phoenix feedback form indicating what period they believe is missing from their pay. For employees in organizations not serviced by the Pay Centre, employees shall contact the compensation services of their department.
